

We're going to India & we couldn't have done it without you Rekha!

A lot has happened since our Bollywood Gala in March and we want you to know about it! India is a once-in-a-lifetime opportunity that you each have enabled through your support. The e.motion21 team is working extremely hard planning and preparing for India. We hope you enjoy this email update and 3 more over the coming months. For all the details please follow us on Facebook and Twitter. Save the date and join us on Saturday 8 August 11am for a behind-the-scenes rehearsal and chance to meet the e.motion21 travellers so they can thank you in person for your support.

Fast facts

- 1440 pappadums we are planning on eating
- 43 days until we take off on our adventure
- 23 performers are practising hard to strut their stuff on the world stage, learn from inspiring speakers, challenge their thinking and meet new friends with Down syndrome from across the globe
- 7 rehearsals left before we leave
- 4 days at the World Down syndrome Congress
- 3 Cities to visit – Chennai, Agra & Delhi
- 2 international awards to collect

Our performers continue to work hard each week on their routines and develop their team work and mateship as they come together from all over Victoria. Cate and #mini-Me Paul spent a hot week in India recently coordinating final aspects of the visit, engaging supporters and meeting parents of children with Down syndrome to learn what their experience has been in India...check it out!

Indian cricket team

Thank you Hyatt Regency Delhi for
sponsoring us

Excited for our event at the
Australian High Commission in
Delhi hosted by H.C. Suckling

Delighted to thank the Williams-Lea
Tag team (Chennai) who have
supported us since 2009

One of the 29,000 babies born in
India each year with Down
syndrome

Sharing with Chennai mums &
babies at Down Syndrome
Federation of India

Visiting parents at a Delhi early
intervention program - the waitlist
for Beat Fit India has begun!

An awesome Chennai facility built
by Dr Ramachandran. DSFI and
our Tamil speaking friends are
partnering with us on a resource
book for new mums
